

Relation between Darshit Singhania and Mayank Rathi:

Both were friends and used to work together in the same company, until 10 years ago, when Mayank Rathi left. Since then, friends and colleagues of Darshit Singhania have not seen them together nor do they know of any communication between them.

Why B left:

Initially, Darshit Singhania, Mayank Rathi and Ojas Deshpandey were joint partners of the company. Ojas Deshpandey got implicated in leaking company information, sent to jail, where he committed suicide after a few months. Mayank Rathi left the company a year after that.
